# THE ILLUMINATION.

For Fair Week, Will be Grand-Other Notion of the Fair.

Measrs. H. B. Chandler and W. B. Phillips, representing the Consolidated Electric Light Co. of Portland, arrived in the city on Thursday at 3 p. m. and have taken up the question of the illumination of the fair grounds.

They will be in the city during the fair week, probably beginning on Monday evening. The rest will arrive here on Tuesday.

Measrs. Chandler and Phillips were met at the depot by President Beal, and Secretary H. B. Phillips, of the Bangor Fair Association, and were driven about the principal streets.

The work of putting the illumination in position will begin immediately and it will be done with the cooperation of City Electrician Pierce and Mr. Partridge, of the Public Works Company.

The illumination is to be similar to that in Portland. The Portland Press has the following regarding it:

"The public was treated last evening to a sight the like of which Portland has never before seen. It was the illumination of Congress street from Congress square to Myrtle street with myriads of electric lights of various colors.

These lights were of various colors, and the effect looking down the street from fairland. It seemed like a stream of fire.

One peculiarity of the display was the brilliant light of the electric lights, which seemed to be of a different kind from the usual electric lights.

This display will be continued every evening during the week. It will prove a tremendous feature of the fair.

**TROOP F.**  
 Cavalry Troop F will arrive in Bangor tomorrow, in the probably in the afternoon and will probably be out on the camp at Maplewood.

The route will be over the old stage road, from Vassalboro to Bangor, via Dixmont and Hampden and the entrance to the city will be made from the Hampden road instead of Hammond street as was first expected. It is now thought that the proposed parade will not occur.

The gates of the fair will be closed after the arrival, but holders of season fair tickets will be admitted on Saturday and on every other day before the opening of the fair on Tuesday, as well as on the days of the fair. Ticket holders will be admitted, not only to the fair, but to the stage from the city to the fair grounds.

Season tickets are now on sale at Union waiting room, on Main street, and at the fair office, up stairs. No advance price is put upon tickets sold at this time. No single fair tickets will be sold until the opening of the fair.

Rev. C. E. Springer, of New York, the preacher of the famous and long for the text Acts 17: 2. The sermon was good and well delivered. At 2 o'clock Rev. Norman L. Macfarlane, of Dixmont, took charge of the service and preached a sermon of great beauty from Matt. 11: 28-30. His theme was "Rest in Me."

The annual meeting of the association was called at "Bangor Chapel" at 1 o'clock and continued until 4:45. Quite a discussion was held on the "Sunday Carpenters" question, and it was duly voted to hold the carpentering over Sunday next year. The following were elected officers for the ensuing year:

President, T. H. Wentworth, of Bangor; Secretary, T. F. Jones, of Orono; Treasurer, C. G. Dillie, of Bangor; Trustees, T. H. Wentworth, H. B. Dunbar, C. F. Goss, J. H. Meary, M. C. Hill, J. M. Frost and George M. Warren.

The services of Evangelist I. T. Johnson were very much enjoyed and are proving very helpful to the people.

Seven o'clock brought together a good company to listen with much interest to a sermon by Mr. T. F. Jones, of Orono, who took for his text, Matt. 11: 28-30.

Thursday was the biggest day at the campmeeting. The weather was delightful and exuberant people from Bangor, Belfast, Rockland and other places flocked to the grounds until a crowd of fully seven thousand was there. The services were especially good.
